Dear FCC 16-41

Dear RFD-TV

I am writing to tell you how much we love RFD-TV! I'm sorry I don't have good stationery. We watch RFD so much it is our main source of all kinds of information! If we are not home we record it to see it later. We watch the farm, news, weather, cooking shows, music, horse shows and many others. Some of our favorites are Texas County Reporter, Dailey & Vincent, Red Stagall West of Wall St., Americas Heartland, Bluegrass & Backroads, Best of America by Horseback, Michigan Magazine, I Love Jay Trains, Small Town Big Deal, Gather Gaspel Hour, Larry's Country Diner and many, many more. We are in our 70's and do ~~not~~ watch many other stations. DOCKET FILE COPY ORIGINAL

I don't think our TV would be on very much without RFD-TV! We watch RFD on cable Metronet in Seymour, Indiana

TO THE: FCC

It would be a shame to bend to pressure and to remove such a wonderful station from the airwaves.

It is very hard to find a good television program, most of the ones that the station airs show killing, drugs, occult, sexual scenes displayed. I do not have much to say about the television stations that show this kind of garbage, except that it is ruining the family structure, children and some adults are impacted by this type of programming.

I enjoy watching RFD-TV, it is come by a family oriented, and community structured television which educates the public about farming, and rural family life.

If RFD-TV is taken off the air by large cable and satellite providers it would definitely impact me in keeping the current cable provider that I have at this time, much less signing with another company if they do not carry this station.

Thank you,

Jacquelyn and Larry Roberts

Dear FCC:

Pertaining to PROCEDURE #16-41, I have three comments...

I have been a persistent fan and observer of my cable TV channel #883 (RFD TV) ever since becoming a CHARTER cable customer 11-12 years ago.

There are so few programs on cable TV that are family-suitable, and RFD TV is one. Seems that most everything else in the viewing package I'm forced to pay for so I can watch RFD TV is trash and I'm not pleased with 90% of the programming I get!

I am hoping for the day when satellite/cable companies will offer individual customers to get and pay for ONLY those channels wanted, and RFD TV will be one of my selections - please see that it remains available for us.

Thank you,

Please stop discriminating against R.F.D and Rural Programming for agriculture. These channels have good wholesome shows that you can watch with your family. We enjoy some of the older shows and watch the R.F.D each Day. The Farm shows are extremely good and we enjoy the Music Shows.

Sirs,

My family has had Dish Network for about three years and before we had Direct TV for about four years.

We are absolutely one of many that RFD-TV is the best TV stations we have every paid for!!!

This station is one of the best because the programming is meant for Seniors, Teens, any one that appreciates channels that you can ~~trust to~~ let all ages watch it without always hearing things that embarrass them. Always try to help this channel stay on the air.

Thanks

Dear FCC # 16-41,

Our family lives and farms in a rural area in southern Ohio. We really appreciate RFD-TV and watch segments of it daily. One of the reasons we switched to Dish was the variety of channels we received, especially RFD-TV. As owners of a farm we have versatile interests, including poultry, cattle, horses, hogs, commodity crops and hay.

As a nation, we all need to remember that the vast majority of our food is not grown in urban or inner cities but is grown in rural areas like ours.

RFD-TV provides information vital to the rural farming community, plus entertainment which is of interest to farming people. Another way RFD-TV helps is by informing non rural citizen's ways to grow family type gardens, and raise poultry for their use and also to show ways to appreciate the U.S. farmers who toil long hours to provide food for the entire nation.

It is of benefit to many that RFD-TV programming is not deleted from Dish or any other form of programs. We would appreciate if you would take all of this into consideration.

Sincerely,

James S. Work

Many people that I know  
and myself enjoy RFD, It  
has so many musical (country)  
selections & performers (Not Wild)

It is entertaining and  
relaxing plus informative.

Keep it on the air. It is  
the reason I got Dish to get  
that program. I do hope will  
be last without RFD Program  
Keep it coming!

We watch RFD-TV on ~~the~~ ON Channel 51.  
 Over the last 3 years we have watched RFD  
 more than any other channel. I was raised on a  
 farm near Morley, Ia. My wife is from a small  
 town, Hazelton Ia. While growing up we were  
 informed Iowa single handedly fed the world.  
 Since watching RFD we have learned of each  
 state having a signature crop or product to bring  
 to the table. As we watch RFD we learn the trials  
 and tribulations of growing and producing such  
 and can share these problems with the world.

 We love the entertainment on RFD  
especially Saturday afternoon and evening.  
Thank you Patrick G. and staff for a great  
family TV channel.

Thank you

Dear Friends,

10/11

I am a widow seventy nine  
years old. I would like to tell  
the FCC that the RFD Channel  
is such a great Channel for me.  
I don't know what I would do  
if <sup>you</sup> stopped airing the RFD Channel.  
It is the one that we can still  
hear some good country music,  
Gospel Music and Gospel music.  
Please do not take RFD away from  
the older generations. Thank You.

To Whomever It May Concern,  
I wish that these other TV channels would leave well enough alone and quit blocking and dropping all the good shows. This RFD TV channel is about the only channel I can depend on seeing something I can turn on, and not have to worry about watching an inebriated show. It's very educational and decent even when young children are around.

If you want to drop or block a channel out, get rid of <sup>POCKET FIVE COPY ORIGINAL</sup> programs which are really highway mockery and the filthy language used in them. It seems as though that is about all we get. If they drop this music channel, I'll have no reason to ~~have~~ watch <sup>watch</sup> any of the other channels. Sorry, but that is how I feel. Why waste my money watching dirt. That's how I feel.

In defense of RFD TV. We've been country people our entire life. Since the past few years we've been able to watch this country station. It makes our days. I'm 85, my ~~POCKET FILE COPY ORIGINAL~~ 3.

The news, scenery, & country music makes our day. The Marty Stewart show is fantastic!

My husband played in dance bands when younger. He danced many miles together.

Please don't stop this - Thanks much!

other. Show city children

There to meeting big one

We will be very  
grateful if we can

our old MOVIE channels.

more: Ray Stevens

Please don't let the big  
Cable Companies take over!  
They are trying to hog everything  
and then send us horrible bills,  
we don't want and can't afford.  
They shove junk on the stations  
that are not fit to watch.

I am a 84 yr. old widow  
and my favorite station is  
211 RFD. I lived on a farm  
all my life and I enjoy the  
programs on that channel.  
I only have extended basic TV  
and my bill last month was  
90.06 - this month it raised  
to 109.08 That is highway robbery  
I plan on changing companies

But I'm going to make sure  
I can get 211 RFD. 10<sup>th</sup>  
I have Mediacom now as yet  
But I can't afford those  
raises every month,  
They make you sign up for  
a yearly package, and they  
make us pay for junk  
we don't want.  
There should be a law against  
that so ~~if~~ they can't do that.  
I called them to see how I could  
lower my bill - They said  
nothing how that's not right.  
Please fight them + don't let  
them push you out!  
Thank you!  
Sincerely,  
Your faithful watcher
